Advanced Propulsion Workshop is this week

The 1999 NASA/American Institute of Aeronautics and Astronautics Advanced Propulsion Workshop is being held through Thursday at the Tom Bevell Center on Sparkman Drive in Huntsville. Marshall Director Art Stephenson will speak at 5 p.m. on Wednesday. Registration will be paid for Marshall employees. Call Dr. Chris Barret, general chairperson, at 4-7118, or e-mail to: Chris.Barret@msfc.nasa.gov

Tuesday is last day to order Earth Day tee shirts. Visit 'Inside Marshall' for details

Nominate environmentalists no later than Thursday. E-mail Lucy Boger

Continual Learning Channel Website changes address

Marshall's Continual Learning Channel 13 Website has moved. April's schedule can be found at: http://www1.msfc.nasa.gov/TRAINING/EODO/EDTec/ch13_14/chn13april.html This link will change to reflect each month's schedule.
